Headphones for the computer lab  
Please read the following reasons headphones are requested.

1. Cleanliness

2. Headphones that don't fit. This is certainly important for the preschoolers and younger elementary as their heads are smaller and sometimes they complain that the head phones don't fit and won't stay on. We don't want this to be their experience in the computer lab. If you, as their parents, purchase ones that you know will fit their heads then we should not have that issue.

Please send them in with your children as soon as possible in an individual Ziploc bag labeled with your child's name, grade and teacher on it. Computer will begin the first week of school.
