- 1 additional ream of white copy paper
- 1 box of 2 gallon size zip-top bags
- 1 roll of paper towels

Headphones for the computer lab

Please read the following reasons headphones are requested.

1. Cleanliness

2. Headphones that don't fit. This is certainly important for the preschoolers and younger elementary as their heads are smaller and sometimes they complain that the head phones don't fit and won't stay on. We don't want this to be their experience in the computer lab. If you, as their parents, purchase ones that you know will fit their heads then we should not have that issue.
